5PJ
United Kingdom

Authorized Maintenance, Repair, and Overhaul Providers ensure that all T700 engine work accomplished is performed to GE standards as documented in our technical manuals. GE will provide these facilities the necessary OEM technical data and support needed for depot level repair of T700 engines including engine upgrades. As a GE Authorized Maintenance, Repair and Overhaul provider, these facilities have agreed to stringent requirements that will help GE improve support of the T700 fleet and improve the supply of depot level material.
