RFQ: TPNR
REQUIREMENT G50

GE AIRCRAFT ENGINES (GEAE) IS CONVERTING TO AN ORACLE BASED INDIRECT
(NON PRODUCTION) PURCHASING SYSTEM IN FEBRUARY 2000, WHICH INCLUDES
THE PROCESS NETWORK REGISTER (TPNR) CATALOG PURCHASING. EFFECTIVE
11-99, AND FOR ALL FUTURE NON PRODUCTION BUSINESS WITH GEAE, SELLER
SHALL, AT ITS EXPENSE, LIST ITS PRODUCTS IN TPNR'S CATALOG SYSTEM FOR
WEB BASED REQUESTING. TPNR WILL WORK WITH SELLER DIRECTLY, UPON
NOTIFICATION BY GEAE, TO LOAD SELLER'S GEAE CATALOG ITEMS INTO THE
TPNR CATALOG. THIS CATALOG WILL GIVE SELLER EXPOSURE TO ALL OTHER
GE BUSINESS DIVISIONS, SINCE THIS IS A GE CORPORATE INITIATIVE.
GEAE WILL ISSUE WEB REQUESTS FROM THE TPNR CATALOG AND ELECTRONICALLY
TRANSMIT REQUESTS TO SELLER VIA THE INTERNET FOR DELIVERY DIRECTLY TO
THE GEAE REQUESTOR(S).
THIS SYSTEM WILL ELIMINATE ALL PAPER INVOICES. INVOICES WILL BE
AUTOMATICALLY GENERATED BY GEAE'S RECEIPT OF SELLER'S MATERIAL OR
SERVICE.
