

Information required to allow General Electric Company to process a DoC license.

1. Legal entity name and complete street addresses for your company as well as any other company sites that may be involved in this transaction.

Example: XXX Technologies
Full Street Address (no P.O. Box)
City, Country, Zip Code

2. Complete description of your role as a foreign party.
3. Identify the end user, as defined below including complete street address.

Definition:

- The person abroad that receives and ultimately uses the exported or reexported items. The end-user is not a forwarding agent or intermediary, but may be the purchaser or ultimate consignee.

Example: XYZ Ltd.
Full Street Address (no P.O. Box)
City, Country, Zip Code

4. Identify the ultimate consignee, as defined below, involved in this transaction:

Definition:

- The principal party in interest located abroad who receives the exported or reexported items. The ultimate consignee is not a forwarding agent or other intermediary, but may be the end-user.

Example: XYZ Ltd.
Full Street Address (no P.O. Box)
City, Country, Zip Code

5. Please identify country of citizenship or permanent residency applicable for the employees of each Ultimate Consignee and End User identified above.

Note: For individuals who are citizens of more than one foreign country, or have citizenship in one foreign country and permanent residence in another, as a general DoC policy, the last permanent resident status or citizenship obtained governs.

Example text: Turkey, Kuwait
